

Declaration of conformity EC number 01TO/CE-10/08

Enacted in accordance with the European directive on construction products 89/106/EEC

1. The Manufacturer of a construction product:Budmat Południe Sp. z o.o.
27-400 Ostrowiec Świętokrzyski, ul. Samsonowicza 18**2. The name of a construction product:**

Ceiling profile Budmat CD 60 intended to pursue construction of suspended ceiling systems in the building interior dry gypsum plasterboard

3. Classification of construction product: PKWiU 28.11.10-35.19**4. Purpose and scope of a construction product:**

Use indoors; instaling of suspended ceiling grate.

5. Technical specification:

PN-EN 13964:2005

6. Declared technical characteristics of a construction product:

	Technical characteristic	Declared value		
1	Reaction for fire	A1 class		
2	Durability	Class protection against corrosion - A		
3	Material	DX51D		
4	Sheet thickness	0,50	0,55	0,60
5	Carying capacity use	51,0	72,6	77,0
	Carying capacity destructive	303,6	454,8	454,8
6	Dimensions	27/60/27		
7	Type of coating	From Z100 to Z275 g/m ²		

Profiles for dry constructions made of galvanized steel can be used in the corrosivity C1, C2. Detailed technical characteristics in accordance with specifications available from the batch of product.

7. Name and the number of a accredited certification body or a laboratory and the number of the certificate or report number, if such entity was involved in system of conformity of construction product:

Instytut Techniki Budowlanej (ITB) – Zakład Badań Lekkich Przegród i Przeszkleń: NL-0561/C/08.

I declare with full responsibility that the construction product complies with the technical specifications indicated in point 5.
