# KOPALNE KADI IN UMIVALNIKI

*topkopalnice*  
**topdom**

The background is a light grey color with a complex pattern of thin, maroon-colored lines. These lines are mostly horizontal and vertical, but many are curved and overlapping, creating a sense of movement and depth. In the center of the page, there is a large, light grey circle with a white border. Inside this circle, the text "KOPALNE KADI" is written in a bold, black, sans-serif font, centered both horizontally and vertically.
